Donation Application

Consumer Rental recognizes that part of our social responsibility is what can be returned to our greater community. Unfortunately, we cannot always support or fully fund every worthy cause or endeavor. This donation form is brief but very specific and it must be filled out in its entirety for consideration. Since donations cannot be guaranteed from year to year, organizations must submit a new request for each event. All original applications must be submitted at least 30 days prior to an event for proper consideration. Late requests will **NOT** be expedited no matter what the circumstances. Verbal requests will not be accepted. This program is part of our yearly marketing and advertising budget; as such, all applications must be properly reviewed. We have reasonable expectations that any approved donations will afford us the opportunities to develop future business with your attendees and supporters. Any assurances that you can provide to us will enhance the consideration of your request. Due to the high volume of requests received, we have developed this procedure as the most efficient process to accommodate your requests.
